Telehealth Services

Ocenture's highly customized Telehealth platform provides unlimited access to board certified physicians. The Ocenture Telehealth platform offers HIPAA Compliant EMR Integrated solutions that ensure the best quality of care.

No Appointments

No more long expensive Emergency room visits, simply call toll free or log in to see your doctor immediately.

Access Anywhere

Access our providers anywhere using any internet connected device or our simply download our easy-to-use mobile app.

Secure + Safe

Your data is always secure and safe using our HIPAA Compliant EMR platform.

EMR Platform

Access to Board Certified physicians covered under multiple layers of medical malpractice insurance to ensure the best liability protection.

Customized Solutions

Providing uniquely integrated customized solutions allowing future product expansion offerings without the increased cost of multiple product integration. We offer easy to add product messaging and member portal customization

Single Sign On

Ocenture Telehealth services (or We) provide single sign-on solutions for members to manage both Telehealth and lab solutions in a single login environment. We offer an all-in-one family solution. Members can manage their family plan without multiple login credentials.

Platform Solutions

- HIPAA & HITECH Compliant
- Tablet & Smartphone Enabled
- EMR Integrated
- Patient Data Collection Interface
- Image & Document Sharing
- Live Video Consultations
- Telephony Visits Supported
- Lab & RX Referrals
- Pre & Post Visit Follow Up
- Provider Profiles & Reviews
- Document Repository
- Virtual Waiting Room
- Provider Profiles
- Individual and Family Accounts
- FIPS 140-2 Encryption.

E-RX Prescriptions

During or after a visit, providers send prescriptions to a pharmacy of your choice. State exclusions apply. Ask your provider if electronic prescriptions are available in your state.

Labs

The HIPAA compliant system provides access to thousands of lab panels and highly discounted rates through our integrated partnership with Quest Diagnostics. In many occasions our member lab price is cheaper than what an insurance carrier will charge as a standard lab co-pay.

Common Treated Illnesses

- Cold & Flu
- Sore Throat
- UTIs
- Skin Issues & Rashes
- Pinkeye
- Anxiety
- Diarrhea
- Vomiting
- Eye Issues
- Travel Illness
